REQUEST FOR PROPOSALS (RFP) ANNOUNCEMENT FOR REYNOLDS CREEK JUNIPER CONTROL PROJECT ARCHAEOLOGICAL CONSULTATION SERVICES

DATE: **June 1, 2021**
TO: **Interested Proposers**
FROM: **Kyle S. Sullivan, District Manager**

In partnership with private, state, federal, and tribal entities, the Grant Soil and Water Conservation District ("District") is proposing to implement a natural resource enhancement project located on private property in Grant County, Oregon. A portion of the construction funding to complete these projects is anticipated to be provided by Bonneville Power Administration ("BPA"). As a federal agency, BPA is required to comply with the National Historic Preservation Act and take into account the effects of their undertakings on historic properties.

The District is sponsoring this Request for Proposals ("RFP") to seek offers from qualified individuals, firms, and teams ("Proposers") to provide cultural resource consultation services to complete archaeological investigations for individual projects pursuant to Section 106 of the National Historic Preservation Act and 36 CFR Part 800, in accordance with Oregon State Historic Preservation Office ("SHPO") guidelines, BPA consultation policy, professional standards, and as described in the RFP.

A complete RFP Package may be obtained from the District at its website www.grantswcd.net, by contacting the District at 541-575-0135 X 111 or email sullivank@ortelco.net. Proposals will be received via email until 3:00 PM PST, June 18, 2021. Direct any questions to Kyle S. Sullivan, District Manager at the above address, phone number, or email.
