## **25% Cost Share Grazing Lands Invasive Annual Grass Management Project**

### **Description and Requirements**

Thanks to the Grant County Court and Northeast Oregon Forests Resource Advisory Committee, Grant Soil and Water Conservation District Weed Control is pleased to offer the **25% Cost Share Grazing Lands Invasive Annual Grass Management Project** opportunity to qualifying landowners within Grant County. The primary objective of this project is to improve the health and condition of the county's working rangelands by providing technical and financial assistance to landowners for the purpose of controlling invasive annual grasses. Successful applicants may be eligible to receive a maximum of \$10,000 of noxious weed control services provided by Grant Soil and Water Conservation District Weed Control. To qualify for participation in this program, the applicant must meet the following requirements.

#### **Application Requirements:**

- **Provide 25% Cost Match for the project (Maximum \$2,500.00 per applicant).**
- **Property must be primarily managed for livestock grazing.**
- **Property must be a minimum of 20 acres in size.**
- **Property must contain invasive annual grass species (Reference application).**
- **Property must be located in Grant County**
- **Return completed application to Grant Soil and Water Conservation District Weed Control. This is a first come first served program!!! Applications will be funded in order they are received.**

Applications for this limited assistance opportunity will be ranked and funded on a first come first served basis. Successful applicants will be contacted by a District Representative to coordinate the implementation of weed treatment operations.

For additional information or to pick up an application stop by the District office at 721 S. Canyon Blvd. in John Day or contact Matt Wenick or Pat Holliday at 541 575-1554. Applications can be e-mailed to: [pholliday@grantswcd.net](mailto:pholliday@grantswcd.net) or [mwenick@grantswcd.net](mailto:mwenick@grantswcd.net).

**COOPERATIVE AGREEMENT**  
**between**  
**GRANT SOIL AND WATER CONSERVATION DISTRICT**  
**and**

---

This agreement is entered into between the Grant Soil and Water Conservation District (hereinafter called District) and \_\_\_\_\_ (hereinafter called Cooperator) for the purpose of locating and controlling annual invasive grasses (hereinafter called the Project). Project goals are to reduce annual invasive grass populations within Grant County working rangelands for the benefits of increasing forage production, reducing erosion, improving wildlife and riparian habitat, and enhancement of overall watershed health.

Project location is: T- \_\_\_\_\_ R- \_\_\_\_\_ Section(s) \_\_\_\_\_, private property in Grant County, Oregon.

**A. The District will:**

1. Coordinate the Project with participating agencies and landowners.
2. Provide Project administrative support.
3. Provide Project technical assistance to the Cooperator.
4. Provide an amount of not to exceed **\$10,000.00** of invasive annual grass survey and herbicide application services in 2024. Funding is made available through Federal Financial Assistance Grant No. 20-PA-11060400-012, *Invasive Plant Inventory & Treatment Partnership*. Herbicide applications will be conducted in accordance with the Project design and specifications mutually agreed upon with the Cooperator and in conformance with applicable regulations and biological criteria.
5. Monitor the project through December 31, 2026. The monitoring program may include, but will not necessarily be limited to; assessing the efficiency and effectiveness of the Project, establishing photo points at representative sites and photographing these areas before the Project begins and after completion. Monitoring in no way implies wholesale access to the Cooperator's property for purposes not directly related to, or influenced by, this watershed restoration project.

Cooperative Agreement*

**B. The Cooperator will:**

1. Review and comment on proposed treatment options and mutually approve final Project design and authorize implementation by signing this agreement.
2. Assist the District in locating invasive annual grass infestations in support of Project implementation.
3. Assist District in assessing effectiveness of the Project from the land manager perspective and provide information on changes in productivity attributable to the Project.
4. Acknowledge that the information relating to the Project is a matter of public record.
5. Grant access to District personnel or their assigns to implement and monitor Project through December 31, 2026.
6. Save and hold harmless the District and its respective officer, agents, employees and members from all claims, suits, or actions of whatsoever nature resulting from, or arising out of, this Cooperative Agreement.
7. Provide 25% Cost Match for the project (Up to a Maximum of \$2,500.00)

**C. It is Mutually Agreed:**

1. That District will provide reasonable notice and Cooperator will permit access for designated personnel to perform activities in support of Project implementation, including but not limited to; pre-project monitoring, invasive annual grass survey, herbicide applications, and post-project monitoring.
2. That due to variable funding, weather, and workload conditions, the District does not imply or guarantee that invasive annual grass control services authorized by this Cooperative Agreement will be provided to the Cooperator.
3. That the level of invasive annual grasses controlled through the actions authorized by this Cooperative Agreement are not warranted by the District.

**D. Termination of Agreement**

*Grant Soil and Water Conservation District  
2024 Grazing Lands Noxious Weed Management Project  
Cooperative Agreement*

1. The Cooperator may terminate this agreement at any time upon thirty (30) days prior written notice to the District, provided that upon any such termination of the agreement the Cooperator must, within thirty (30) days of such termination, reimburse the District for all funds disbursed to the Project under this agreement.
2. The District may terminate this agreement:
  - A. Immediately upon written notice to Cooperator if District fails to receive funding or other expenditure authority at levels sufficient to allow the District, to meet its payment obligations under this agreement.
  - B. Immediately upon written notice to Cooperator if Federal or State laws, rules, regulations, or guidelines are modified, changed or interpreted in such a way that this agreement is no longer eligible for the funds or the District no longer has the authority to provide the funds to the Project.
  - C. At any time upon thirty (30) days prior written notice to Cooperator if Cooperator fails to perform any provision of this agreement. The Cooperator must, within thirty (30) days of termination of the agreement pursuant to this subsection, reimburse District for all funds disbursed to the Project under this agreement.
