ANNUAL NO SPRAY AGREEMENT

Date: _____

I request that County Road # _____ right-of-way adjacent to my property be omitted from the County Road Spray Program for the calendar year 20____.

I understand that ORS 570.510, 570.540 require that noxious weeds be destroyed or prevented from seeding. Therefore, I agree to maintain the road surface and right-of-way to keep it free of noxious weeds. I also agree to keep the roadway free from all encroaching vegetation. (ie., grasses, non-noxious weeds, shrubs and trees that may grow onto or over the road surface) I will not use grazing as a method to do so.

I understand that should I fail to keep the County right-of-way free of noxious weeds and the roadway free of grasses, shrubs, non-noxious weeds and trees the County Road Spray Program will be resumed without any prior notice. I agree it will be at the discretion of the County Weed Coordinator and or the County Roadmaster, as to whether or not I have maintained the road and right-of-way in a vegetation weed free condition.

This is an annual agreement that needs to be renewed **YEARLY** and is due by March 10th.
